
THE OXFORD HOUSE MODEL

All Oxford Houses must abide by the conditions of their charter in order to remain an Oxford House in good standing. The conditions of an Oxford House charter are:

- The house must be democratically self-run
- The house must be financially self-supporting; paying rent and bills on time
- The house MUST immediately expel any member who relapses

Average Monthly Success Rate: 93%

Oxford Houses across South Carolina offer individuals recovering from substance use disorder the opportunity for a fresh start and a safe place to call home.

The Oxford House model is an evidence-based best practice recovery residence model recognized by SAMHSA

OXFORD HOUSE TRADITIONS

1. Oxford House has as its primary goal the provision of housing and rehabilitative support for the alcoholic who wants to stop drinking or using and stay stopped.
2. All Oxford Houses are run on a democratic basis. Our officers are but trusted servants serving continuous periods of no longer than six months in any one office.
3. No Member of an Oxford House is ever asked to leave without cause – a dismissal vote by the membership because of drinking, drug using, or disruptive behavior.
4. Oxford House is not affiliated with Alcoholics Anonymous, organizationally or financially, but Oxford House members realize that only active participation in Alcoholics Anonymous offers assurance of continued sobriety.
5. Each Oxford House should be autonomous except in matters affecting other houses or Oxford House, Inc., as a whole.
6. Each Oxford House should be financially self-supporting although financially secure houses may, with approval or encouragement of Oxford House, Inc., provide new or financially needy houses a loan for a term not to exceed one year.
7. Oxford House should remain forever non-professional, although individual members may be encouraged to utilize outside professionals whenever such utilization is likely to enhance recovery from alcoholism.
8. Propagation of the Oxford House, Inc. concept should always be conceived as public education rather than promotion. Principles should always be placed before personalities.
9. Members who leave an Oxford House in good standing are encouraged to become associate members and offer friendship, support, and example, to newer members.
